# **DEDICATION**

Any institution is only as strong as those who take an active interest in its life. This is especially true in the case of a school where the interest and devotion of its students are of utmost importance in its growth and development.

The rise of Governor Dummer over the past two centuries can be directly attributed to the interest and devotion of all its students. The students of Governor Dummer can be proud of the great part they have played in the growth of their school. It is for this reason that we dedicate *The 1963 Milestone* to the students, both past and present, of Governor Dummer Academy.

# IN MEMORIAM

#### RICHARD BRIGGS SNOW

When Dick passed away in 1961, we all felt the loss of a great friend. As an honor student, a member of the J.V. basketball team, and the varsity tennis squad, he contributed willingly to all phases of school life.

Those of us who knew Dick greatly admired his industry, his intense modesty, and his intuitive common sense. Although he had a mind of his own, he was at all times willing to listen to the opinions of others. Anyone who knew Dick Snow was certain to benefit from his acquaintance.

## **ACKNOWLEDGEMENTS**

The production of a yearbook is by necessity a long and difficult process. Many hours of hard work have gone into the production of *The 1963 Milestone*. This work has not been done by the Milestone board alone, however: some of those to whom the board owes its particular indebtedness are:

Mrs. Marjorie J. Rouisse for her helpful accounting and bookkeeping.

Miss Louise Lovell and the office staff for their accurate special information.

Mr. Roy Hult of Hult Studios in Melrose was always ready to serve us in whatever way possible.

Mr. Richard Weir of the American Yearbook Company capably assisted us in the mechanics of production.

The *Milestone* staff for its work in the tedious but most important tasks which are an intrinsic part in the production of a yearbook.

Our advertisers without whom the production of this book would have been an impossibility.

Mr. Douglas L. Miller whose experience and patience have made our task a great deal easier.

Mr. Miller

Mr. Weir

## GLEE CLUB FINEST IN YEARS

The bicentennial Governor Dummer Academy Glee Club proved right from the start that it would be one of the best in years. For a school of this size, the Glee Club was fortunate to have such a large number of boys willing to give of themselves. Unlike many other clubs, this glee club had a certain enthusiasm which was shown both in rehearsals and at concerts. Since this group was able to learn new songs quickly, it was able to have new numbers at each concert — something not done before at Governor Dummer. Due to these qualities, the excellence of the Glee Club was evident everywhere it went.

Along with the regular concerts with Walnut Hill School, Dana Hall School, and Abbot Academy, the Glee Club again had a concert with the Waynefleet School and made another appearance at the New England Prep School Concert at Symphony Hall in Boston.

This year the Meistersingers under the direction of Steve Witt soared to new heights, introducing a different variety of music into Governor Dummer life. Their songs ranged from a 13th century round, 1,2,3 Sing to a modern barbershop quartet number, Why

Study. For the first time this group was made up of, not just seniors, but members from each class who sang well. Included in this group were: Brewer Eddy, Ted Cook, Robbie Sherman, Tim Whittemore, Steve Witt, Stew Steffey, Steve Hughes, and Al Prescott.

Truly, Mr. Sager was right when he said, "This is good!"

Hard-nosed defense, grind-em-out offense, inspirational leadership, and dedicated coaching — these were the ingredients in the Governors' 1962 football success story.

The offensive backfield, functioning smoothly behind a hard-hitting line, was a perfect blend of Jeff Ellis'

ingenuity, Terry Golden's blinding speed, Tom Maier's deceptive faking, and Bobby Wise's sheer power.

We were up for our first game against St. Sebastian's, but, unfortunately, rain forced the game to be post-poned until Monday. An unavoidable letdown may have cost us our first defeat. Although we completely outplayed the Saints, we dropped a 14-6 decision.

The loss to St. Sebastian's gave us an added incentive in our next game as we bumped Browne & Nichols 20-6 in the Byfield mud. Charlie Parker's blocked punt and Bob Cate's bruising line play were the key features of the game.

Defense was the keynote of the Moses Brown game. Trailing at half time we fought back hard and sent the Rhode Islanders home with a 20-14 defeat.

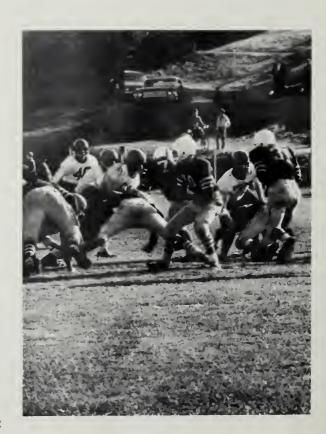

Next came Milton. They were supposed to be one of the league's powerhouses, but we showed them what a good football team really is. Playing our best football of the year in the second half, we humbled the Milties 28-12 in front of a very disappointed Alumni Day crowd.

The Groton game was the one for which we had been waiting. This was the must game, the one we had to win. It had been eight long years since we had last beaten Groton, and it took little effort on the part of the captains and coaches to get the team fired up. Although they gave us a rugged battle, we were in control all the way and pulled out a most satisfying 16-8 victory.

Although the statistics put us ahead of St. Mark's on paper, we lost to them 22-6. We outgained and outpassed them, but several costly fumbles and a fired-up opponent cost us a game that should have been ours.

We were ready for Belmont Hill. fully realizing that they had two outstanding backs and a fine line. Although we played a strong game, we were unable to stop the Hill's explosive offense. We had nothing to be ashamed of in this game; we simply were beaten by an excellent team.

In retrospect, the season can be viewed as very successful. Outstanding members of the team included the seven men who went both ways in every game — Co-captains Cate and Hilgendorff, Tom Maier, Chad Smith. Gary Leahey, Dave Faxon, and Bob Segel. Special tribute must be paid to Head Coach Anderson and his assistants, Mr. Wilkie and Mr. Linberg, whose knowledge and devotion made this a team of which we can all be justifiably proud.

The 1962 season is the story of a team that was often down but never gave up. With absolutely no lettermen returning, Mr. Navins and Mr. Coolidge were faeed with a tremendous rebuilding job. Rebuild they did, however, and every member of the squad gave everything he had every day in practice. It took five games for the team to realize its potential, but we surprised Milton on their Alumni Day by holding them to a 0-0 tie.

The following Wednesday, with a new offensive set-up, we completely confused and out-played Belmont High to gain our first victory 1-0. In the one point losses to Tabor and Medford High, we showed a much improved style of play and a lot of heart.

Our next game was with St. Mark's at Southboro. They were the undefeated league champions and we went into the game as heavy underdogs. The whole team wanted this one badly, however. The day was overcast, the field was muddy, and we were great! We beat them 2-1 and Mr. Navins was the proudest man in the world.

Although this season was a team effort from the start, there were many fine individual performances. The first line of Don Connelly, Andy Thomas, Robbie Sherman, Rusty Navins, and Roy Clark was usually good, often excellent. They were backed up by halfbacks Bill Sloane, "Squeek" Bailey, and Captain Mark Petri. On defense, Bob McGilvray, Benny Mann, and goalie Moose Stone were superb. A most important factor in the determination of this team was the hard work of the second unit. Their efforts were often unrewarded, but always appreciated.

The success of a team cannot always be measured in wins and losses. This team found in itself the ability to overcome all obstacles through hard work. The inspiration of Mr. Navins, Mr. Coolidge, and Captain Petri set a shining example for the rest of the squad, and although the record was not impressive, Mr. Navins could not have been prouder of his team.

Leading the team were Mr. Fenn and Captain Langenbach. Mr. Fenn, in his first year as head coach, worked his athletes hard and played a great part in bringing out the potential of this team. Ranny Langenbach, without a doubt the greatest distance runner in school history, provided leadership and inspiration through performance rather than words. He won every meet in which he competed, including the highly competitive interscholastics where he finished ahead of almost a hundred of New England's finest runners. In addition, he set an independent school course record at every school where he ran.

Other prominent members of the team included seniors John Macintyre, Pete Morrin, and Steve Witt who gave the team the experienced depth which was lacking last year. The underclassmen were headed by captain-elect Bucky Foss, who managed to compile a very impressive record — many times placing second only to Ranny. Other outstanding members who will return next year include Wes Williams, Steve Rolfe, Alex Brody, and Arnie Morton.

With a fine performance this season, and with prospects very favorable for next year, Cross Country has definitely established itself as a most successful sport at the Governor Dummer.

With all but three men returning from a squad which tied for the league championship in 1962, the outlook for this year was indeed bright. Yet the season was a disappointment in various ways. On several occasions we were unable to beat teams that couldn't match us man for man because of a loss of confidence or because of a lack of true mental toughness. The season was by no means unsuccessful, however.

The season was highlighted by a good number of excellent individual performances and several really fine team efforts. With the score tied 34-34 at the end of the third quarter in the Groton game, we scored 29 points to overrun the Grotties 63-45. Both victories over Milton were solid performances by the whole team, and the win against Brooks was a good indication of what we could do when functioning smoothly. Probably the best game of the year was against St. Mark's. We were smarting from a previous loss to Browne and Nichols that caused our pride to be awakened for the first time, and consequently, we crushed them 66-56.

The play of co-captains Jeff Ellis and Bob Segel always provided the leadership which is so necessary on a basketball court. Jeff was the holler whose hustle and desire inspired us to play better ball. Bobby was a steady, hard-worker who consistently hit the clutch baskets and kept us in game after game with his rebounding. Tom Maier led the team in scoring with an average of 18.6 points a game. He was a tireless performer on both dedense and offense and should provide excellent leadership next year. Billy Poole was a cause of constant harassment to an opponent with his quick-handed defense. Don Connelly hit for double figures on several occasions, featuring a 14 point performance at Nobles. Cal Mackenzie was capable of stepping into a game at any time and playing inspired ball. Rusty Navins and Bill Harvey were able to come off the bench and give Jeff or Billy a rest whenever necessary.

As in the past, it was Mr. Williams who was primarily responsible for the success of this team. This year, however, the success of the team did not take the form of a winning record; instead it took the form of a lesson of life which stressed the importance of true mental toughness in order for an individual to realize his potential. The fact that each individual on this team learned that lesson indicates that the season was a very definite success, for this is the purpose of athletics.

If sheer determination and desire were the only determining factors in an athletic contest, this year's varsity hockey team would have been undefeated. With only three lettermen returning, however, we often lacked the depth and experience to handle some of the

toughest competition in the state.

After losing our first five games, including a 5-4 heart breaker to Browne and Nichols, we squared off against Lawrence at Groton. The greatly improved defense of Teddy Cook, Charlie Parker, and Tom Gregg was impenetrable behind the first line who pushed home seven goals, with Mark Petri and Robbie Sherman both registering hat tricks. Playing our best hockey of the season against perennially strong St. Sebastian's the following Saturday, we jumped off to a two goal lead. The Saints tied it up late in the third period and had to take us into overtime to beat us.

We overcame the third period troubles which had plagued us against Danvers and Milton when we tied Berwick 2-2 on the U.N.H. ice. The scoring punch of the first line of Captain Farmer, Mark Petri, and Robbie Sherman was clearly demonstrated in the Moses Brown game when this trio scored four times in less

than five minutes.

The fact that we never gave up on ourselves was clearly evident in the last game with the M.I.T. frosh. Our morale was high and we skated by them 9-3. Forbes scored a hat trick and Robbie had five goals as we put on our best offensive display of the season.

One facet of this season which was particularly significant was the way in which such individuals as Stew Steffey, Roy Clark, Bruce Fraser, Bruce McNeil, and Ralph Sexton made great personal improvements.

In his debut as varsity coach, Mr. Ashley Eames did a superlative job as a dedicated mentor. He understood every player, and he brought the team a long way. He was, in effect, a player coach in that he could demonstrate as well as explain. It was his ability to maintain the determination and desire of this team even in the face of defeat which made this season a particularly memorable one.

In describing the 1963 winter track team, it is impossible to avoid superlatives. To say that it was by far the best ever does not do justice to the ability of this team. It possessed all the ingredients of a truly magnificent track team — balance, depth, leadership, desire, and coaching.

The balance of this team is clearly evinced by the fact that four different people broke seven separate records a total of 17 times. Outstanding among these was Captain Terry Golden who set new school records in the 45 yard high hurdles and 50 yard dash, and tied the school record in the 40 yard dash. He also set a new meet record in the 300 yard dash at the University of Massachusetts Invitational Meet with a time of 33.6 seconds. He was in every way a leader by example and inspiration.

Co-M.P.V. Ranny Langenbach broke his own mile record four times, finally setting it at 4:31.4 in the Bowdoin meet. Ranny also broke the record for the 1000 yard run with a time of 2:25.6 in the Andover meet. This record was later broken twice by Bucky Foss who ran 2:23.6 in the Bowdoin meet. Jeff Eveleth, running the 600 for the fourth year in a row, finally broke the school record with a time of 1:17.6 in the Interscholastics at Exeter.

Highlighting the season were convincing victories over the Andover J.V.'s, the Exeter J.V.'s, Moses Brown, Colby and Hebron in the Bowdoin Quadrangle meet, and Tabor. The fact that seven members of the team were willing to give up their winter week end to compete in the University of Massachusetts Prep School Invitational Meet was typical of the dedication which examplified the team's spirit.

Even more impressive, however, was the fact that these seven men defeated five other complete teams to bring home the first place plaque.

We had such a tremendously successful season despite two definite handicaps. First, we had no track of our own and practiced either on Middle Road or at the Exeter cage. Secondly, we had no home meets and thus were never able to benefit from a partisan crowd.

To say that Mr. Sperry is a fine coach is not enough. Anyone who ever performed under him will jump at the chance to say that there is none better. As he presented the letters at the winter athletic awards meeting, he said that he was a very proud man. Deservedly so.

That Mr. Evans was posed with somewhat of a dilemma in choosing a Most Valuable Wrestler is no surprise. All of the 16 wrestlers who received letters contributed a great deal to the tremendous success of the 1963 wrestling team. For the fourth year in the last five we were undefeated, and for the second successive season we won the New England Class A Tournament.

Wrestling at 110 were the two best 110 pounders in New England. Butch Clifford compiled a record of 5 and 2 and pulled a major upset in the tournament by defeating the Exeter captain and winning the championship. Carson Taylor, our most underrated wrestler, was undefeated with a 5-0 record.

Bill Russell at 115 had a 2-3 record and earned us several important points in gaining a third place in the tournament.

Bob Taylor at 121 was outstanding for the third year in a row with a 6-1 record. Finishing second in the tournament, he proved himself to be one of the finest wrestlers ever produced at Governor Dummer.

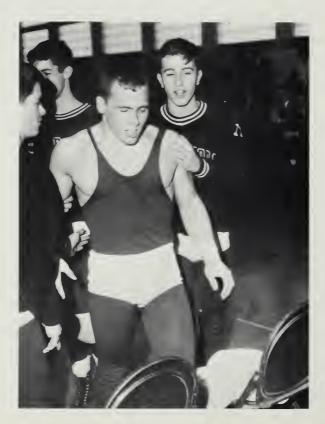

finest wrestlers ever produced at Governor Dummer. At 127, Dick Hawkins and Jotty Pearsall had a combined record of 4-4 in an extremely tough weight class.

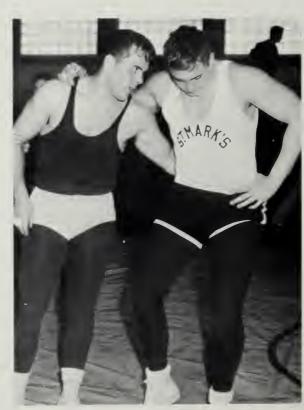

Billy Sloane and Dave Caldwell at 133 both wrestled creditably in their first year on the varsity.

Lou Higgins and Tom Critchley at 138 found the going tough in another difficult weight class, but both will be back next year.

At 147, co-M.V.P. Steve Hughes "hypnotized" six opponents on his way to the tournament champion-ship.

A most dedicated wrestler, Steve consistently pinned men in tight spots to change the complexion of a meet.

At 157, captain-elect John Steele went undefeated in his first year on the varsity and finished second in the tournament.

Bob Wise and Dave Hilgendorff compiled a combined dual meet record of 4-1-3, and Dave won a valuable third place in the tournament.

Captain and co-M.V.P. Moose Stone completed his third successive undefeated dual meet season and finished second in the tournament. A leader in both word and action, Moose was one of the finest wrestling captains in school history.

Once again Bob Cate more than held his own in the unlimited weight class. He came through in the clutch with meet-winning victories in the Browne and Nichols and Milton meets.

Wrestling is one sport in which coaching is the most important single factor in a team's success. Certainly Mr. Evans impressive record in the last five years is indicative of his stature as a wrestling coach. Since Mr. Evans debut as head coach Governor Dummer has reached the pinnacle of prestige in New England wrestling. Surely the seven larger schools that we defeated in the tournament will testify to that.

The 1963 Governor Dummer baseball express, amply stoked by strong pitching, sound defense and timely hitting, steamed to a very successful season under rookie coaches, Mr. Eames and Mr. Sargent.

This was a team marked by outstanding individuals, extreme enthusiasm, and a series of clutch performances. The catching was handled by co-captain Chad Smith, who not only hit .327 and played errorless ball, but even stole a base on occasion. Bob Segel at first was the team's power hitter, as well as the player the opponent's catcher least liked to have on third in a squeeze bunt situation. Mark Petri, at second, was typical of the spirit of this team in that, despite a midseason slump, his desire and hard work never diminished.

Tom Maier filled a big hole at short and also made sure he let the umpire know if he wasn't satisfied with a call. Billy Sloane at third base was the happiest surprise of the season. He tied Chad for the team batting leadership at .327 and played strong defense. Billy was the key to the 5-4 win over Belmont Hill with a bases-clearing double off the wall.

The outfield of Pete Dolce, Joe Stevens, co-captain Mike Kotarski, and Scott Surrey was strong both offensively and defensively. Jon Shafmaster, although he saw limited service, was an inspiration to his teammates through his dedication to the team.

This leaves the team's most valuable player, Don Connelly. Connell pitched all but one game and ended up with the school strike-out record. He was a clutch pitcher in every sense of the word. Witness the Belmont Hill game in which he struck out the last two batters in the ninth after the bases were loaded.

There is one game which must not go without mention. This was the 15-inning St. Mark's classic. For 14 scoreless innings Connell matched St. Mark's ironman, Pete Shimkus pitch for pitch. We had 11 hits but were unable to put any of them together in one inning. In the 15th St. Mark's won the game on two consecutive hits.

If the success of this team is any indicator of Mr. Eames ability as a coach, great things lie ahead for Governor Dummer baseball.

This season was one of ups and downs for Mr. Evans' lacrosse team. Although the club defeated all of its class B opponents, it was unable to defeat any of its class A opponents. The season opened with an easy victory over a weak M.I.T. Freshman team by the score of 11-1. Other early season highlights were victories over the UNH Freshman, St. Mark's, and Tufts. During these early weeks, the club ran into strong teams from Andover, Exeter, and Harvard. The remainder of the season saw the team win three of its last five games. In the final game of the year, playing their best lacrosse of the season, they defeated an outstanding alumni squad 7-6.

Throughout the year, Jeff Ellis, the captain and only returning starter, led the team both in spirit and in play. It must be noted that with this fine season Jeff became the all-time high scorer in the history of the school.

Working on the attack with Jeff were Squeaky Bailey, Charlie Parker, and Brock Callen. Squeaky who was out with a cracked rib for the final three games still was able to score a total of twenty points.

Leading the midfielders was Forbes Farmer, a returner from last year's team. Forbes showed his versatility by being the second leading scorer on the team. Also, on the first midfield with Forbes were John Steele and Dave Hilgendorff. This group was backed up by a second midfield of sophomore Scotty Magrane, and juniors Joe Robertson and Roy Clark.

The stalwarts of the defense were Bob Cate and Tom Gregg. Also on defense were Moose Stone, Dan Eaton, and sophomore Gary Leahey. Over the course of the season, this group learned to work together as a unit and showed their potential by controlling a powerful alumni attack.

Mr. Evans and Mr. Anderson both deserve a great deal of credit for molding a team out of a few veterans from last year's team and a large group of boys up from the J.V.

Last year's spring track team was the best in the history of the school. This year's team was better. Whereas last year's team bunched its strength in certain events, this one had complete balance.

The first meet loomed a tough one since M.I.T. was far ahead of us in number of practices, and we were competing without John Heald and Bucky Foss. As Mr. Sperry had expected, the meet was close, but a truly clutch performance by Terry Golden in winning five events gave us our first victory.

Exeter, a strong, veteran outfit, was the only team to outscore us at their own relays. They were, in fact, probably the only team in northern New England, high school or prep school, capable of beating us in a dual meet.

Mr. Sperry had said that the Moses Brown meet would be decided by between two and seven points. He wasn't the least bit unhappy when we proved him wrong by winning  $73\frac{1}{2} - 43\frac{1}{2}$ .

As usual the Deering meet was our toughest one. They had easily swept to the Maine championship and they were favored. A 1-2 finish by Ranny and Bucky in the 880 and another 5-win performance by Terry won the meet for us 64 — 58.

Last year Milton had pushed us to the hilt before we finally beat them, and we were determined not to let is happen again this year. It didn't, and we won 92 — 30.

The Prep Meet at Andover was our finest hour. We swept class B by 37 points and finished second only to Exeter in class A. Ranny set school records in the 880 in 1:59:8 and the mile in 4:24:6, the latter being a meet record. Terry easily won the highs and lows, but the key to our performance was Jeff Eveleth's come-from-behind victory in the 440.

St. Paul's provided little challenge on the Bicentennial weekend, and we walked over them 91 — 31. Mr. Sperry tried to tell us that the Hebron meet was going to be a close one since they had won the Maine prep school crown the previous week. We forgot to listen to him, however, and trounced them on their own track 79 — 43.

Two things made this team great. First, we had the "horses," and, second, we had a great coach. We set school records in the pole vault, the mile, the 880, the 120 highs, the 180 lows, and track records in many others. Co-captain Terry Golden best explained the 1963 track season: "Our team was great, our coach was great, and our season was great!"

## COMMENCEMENT

In Hundretik Commentarie of Construct Dummer Valence Continue Francisco June 8, 1943

#### Morse Flag

The Morse Flag was first awarded at the 150th Commencement of this school on June 9, 1913, and it has been awarded each year since that time to the senior whose record in all respects has met with the highest approval of the faculty. According to the trust established by the late Reverend Glenn Tilley Morse, long-time friend and trustee of the Academy, a new flag is provided each year in order that the old flag which has flown during the past year may be given to a member of the graduating class. This year the Morse Flag is awarded to Stephen Gratiaa Hughes of Santa Fe, New Mexico.

### Academy Prize

Each year two young men are singled out for their outstanding accomplishments during the senior year. One receives the Morse Flag; the other receives the Academy Prize.

It is often true that qualities of unselfishness and sportsmanship develop best in people who have known adversity, people who have traveled a rough road. From such experience can come the necessary maturity, objectivity, and awareness of the needs of others. The young man we honor now has had to struggle for success in academics and in athletics. He has maintained his own poise and courage, and by his word and example has inspired others in all areas of school life, but most clearly in his role as captain of a losing but courageous hockey team. It is my privilege and pleasure to award the Academy Prize to J. Forbes Farmer of Westboro.

#### Bausch and Lomb Medal

The Bausch and Lomb award goes to that student who, in the estimation of the faculty, has been most outstanding in the study of science. This award takes on unusual meaning this year. The winner is a broadgauge young man indeed: an outstanding science student in the field of biology, a very effective dormitory proctor, co-captain of football, and a member of the varsity wrestling and lacrosse teams, he has been a fine example of the student-leader-athlete: Robert Knode Cate of Winnetka, Illinois.

#### Goodwin Athletic Prize

The recipient this year personifies the old expression that "good things come in small packages." Despite his size, he was intimidated by no enemy tackle or defenseman. Quarterback on the football team, co-captain of basketball, captain of lacrosse, and all-time high scorer in the latter, he has been a performer par excellence and a leader of the best sort, both for his own teammates and for younger athletes in the school. I am very pleased to present the Goodwin Athletic Prize to: Jeffrey Belknap Ellis of Palos Verdes Estates, California.

Scholarships

I am pleased to announce that the holder of the Ingham Fund Scholarship in the academic year 1963-64 will be one of the stronger students in the junior class, the son of one of the faculty Old Guard, and a worthy young man in all respects: John Stiles Mercer of South Byfield.

It is my pleasure to announce that the holder of the Francis Scholarship in 1963-64 will be a student who personifies to an unusual degree the fine qualities which Mr. and Mrs. Francis so prized: John Carroll Everett, Jr. of Nashua, New Hampshire.

The qualities which Dr. and Mrs. Hale wish to recognize are present in abundance in the president—elect of next year's senior class. The first holder of the Dean Channing Hale scholarship for the academic year 1963-64 will be: William Streeter Poole of Tuskegee Institute, Alabama.

The Edmund Coffin Colman Scholarship, established by the late Elizabeth S. Tappan, is awarded for the highest grades in languages. For the coming year the grant will be divided and held by two underclassmen: Howard Wallace Foss, Jr. of Medford and John Francis O'Dea of Newbury.

#### Cumings Prize

Two years ago, with great regret, I wrote to the parents of a sophomore indicating my belief that their son, in all probability, could not successfully complete our course of study. Though I regarded him as a thoroughly fine young man, I thought it wise to advise them to withdraw him from school. Neither the boy nor his parents agreed. That young man returned to do well in his junior year and, this year, to achieve a sound academic record while serving with distinction as a senior class officer, sports editor of the "Governor," a dormitory proctor, and a three-sport varsity athlete. It gives me particular pleasure to award the Cumings Prize to: Chadbourn Howard Smith of Bar Harbor, Maine.

#### Gaffney Prize

In the classroom, on the athletic field, as a dormitory proctor, in all areas of school life, this year's winner has performed to the best of his ability, but he has invariably acted with modesty and has placed the good of the group ahead of his own personal gain. In his quiet way he has been an outstanding counselor to many. William Allen Sloane of Amesbury.

### Timothy R. Whitemore Award

The Whitemore Award is given annually to that member of the sophomore class who by his attitude and perseverence has made the best contribution to the Academy.

This award was established this Spring by the members of the Sophomore class with the help of the rest of the school in memory of their classmate who passed on March 1, 1963.

#### Harvard Book Prize

The Harvard Book Prize is awarded to that member of the junior class deemed most worthy through high scholarship and character. It is my pleasure to award the Harvard Book Prize to: John Francis O'Dea of Newbury.

#### Barriskill Prize

The winner of the Barriskill Prize has been a leader in many musical activities. A member of the Glee Club, the Meistersingers, and the Choir, he has also been a soloist with each and a guitarist as well: Stephen Collier Witt of Snyder, New York.

#### Moody Kent Prizes

English: Peter Patrick Morrin II of St. Louis, Missouri.

French: Carson Gitt Taylor of Providence, Rhode Island.

Spanish: Stephen Gratiaa Hughes of Santa Fe, New Mexico.

Latin: John Francis O'Dea of Newbury

German: David Sherman Carleton of Beverly Farms.

Science: Peter Chew Thomas of Durham, North Carolina.

Mathematics: Robert Pevear Ingalls of Swampscott.

Ambrose Prize Speaking Awards

First prize: Stephen Gratiaa Hughes of Santa Fe, New Mexico

Second prize: Carson Gitt Taylor Providence, Rhode Island.

Third prize: Robert Carlyle Taylor of Wenham.

#### Thorndike Hilton Cup

The winner of this award has been an honor student throughout his career, he has been elected to Cum Laude, and he has also been a varsity football player, a wrestler, a baseball player, and a member of the "Governor" staff. A most worthy recipient of the Thorndike Hilton Cup is: Jonathan Scott Shafmaster of Haverhill.

obody knows how many
hundreds of thousands of people will
dine tonight with Towle Sterling — but the
actual number would be startling. For
in the two-and-a-half centuries that beautiful
silver has been made in Newburyport, the
demand for its patterns has moved steadily
upward. Craft traditions reaching back
almost to the Pilgrims are part of the
reason for Towle progress, but probably
the chief reason is a certain soundness
of design — patterns that wear well
— that wear so well, in fact, that they
become at once a proud possession and
a beloved part of family life.

### ELECTRIC SERVICE THE BIG VALUE

Ever count the number of ways electricity is put to work in the average home? You'd really be surprised!

What's more, your electric service is a better bargain today than it used to be — even if your electric bills are bigger. They're bigger because folks are using so many electric servants. You're getting more electricity per dollar than folks did a generation ago — and living better electrically, too!

And that's how it is all through the U.S.A. — for everyone of the 140 million customers served by investor-owned electric companies like this one.
